

# NGES Summer Reading

Don't let your reading slide backwards this summer! Find books to read from anywhere - your home, a friend, public library, etc. You can read online through the Capstone Virtual Summer Camp or NGES's Destiny Discover. Challenge yourself to 20 minutes of reading a day or 5 novel-length books over the summer.

When you finish reading a book, record the title on your Barnes and Noble Reading Log & Jefferson Madison Regional Library (JMRL) Beanstack app/site or challenge sheet.  
**1 book = counts for both reading programs if you would like a prize!**
