Be Ready to Learn

## HERE'S A LOOK AT WHAT WE'RE LEARNING!

### Math

Students will be using subtraction facts up to 20. Students need to know the following strategies when subtracting single digit numbers:

-0,

-1, -2, -3

Tri-Bonds (Fact Families)

An addition and subtraction test will be this Friday!

### Units

Students will begin learnings about the United States and World maps. Students will need to know land features in the United States as well as the 7 continents and 5 oceans. A study guide will be attached.

### Literacy

Students will use story elements when reading fiction books. They will need to know characters, setting, problem, and solution.

They will also need to know question words such as Who?, What?, When?, Where?, Why?, and How?

Students will be learning about vowel sounds. Students will be talking about the short vowel sound versus the long vowel sound. Students will also be tested on their reading level which will be coming home soon.
